Southern Tier Home Builders & Remodelers Assoc.

I AM A BROOME COUNTY RESIDENT ASKING LOCAL OFFICIALS TO TAKE ACTION TO STOP BAD CONTRACTORS FROM VICTIMIZING COUNTY HOMEOWNERS!

For many years, the Southern Tier Homebuilders and Remodelers Association (STHBRA) has been overwhelmed with complaints from Broome County homeowners victimized by irreputable contractors. STHBRA felt it was time to take action.

STHBRA found that many counties have created effective contractor laws in the state and we recommend that Local Officials adopt a contractor registration law proposed by the STHBRA similar to theirs.
